

FOR GROUP LEADERS & PARENTS

GROUP LEADERS

Group leaders [login here](#) to check the registration status of your campers. (You should have received login information via email.)

Every adult leader or counselor must have completed and passed a Child Protection Training Course approved by the State of Texas. Mt. Lebanon is required to keep a certificate of completion on file in our office.

Several companies offer approved training programs at minimal cost and many churches will already have them on file. Lifeway offers a [FREE Online Child Protection Training Course](#) for adults. The course can be completed individually or in a group setting. Group leaders should collect and turn in current certificates for each adult upon arrival at camp.

PARENTS

You should have received an email from your church group leader with information about logging in and creating an account to register your child. [Click here](#) to register now!

Make sure to use the unique church group code provided in that email to ensure you are with the correct church. All campers must attend with a church group, no individual registration is allowed. To connect with a group, contact our office to inquire about a church attending from your area.
