1. Prior to what we've learned in this series, how would you have answered the question of, "Where did the Bible come from?" From where did you draw your conclusions about the origin of the Bible?

2. Do you have any struggles with the idea that there is only ONE God? Why or why not?

3. Read and discuss **Hebrews 10:1-18**. What stands out to you? What questions do you have? How does this impact your view of the Old Testament / Old Covenant?

4. If the Old Testament from Genesis 12:1 through Malachi is an old covenant that was not written for Christians and doesn't apply to Christians, what influence should it have on our lives as followers of Christ?

5. Read **Hebrews 9:13-15**. Under the New Covenant your right standing with God (cleansing) comes through faith in Jesus' payment for the penalty of your sins. How does knowing this influence your faith and impact your life?

ORIGINS

The Bible's Story

Origins - 2
The Old Testament

Acts 17:16-23   **Exodus 20:2-5**
Acts 2:22-36

After supper he took another cup of wine and said, *"This cup is the new covenant between God and his people—an agreement confirmed with my blood, which is poured out as a sacrifice for you.*
Luke 22:20

But now Jesus, our High Priest, has been given a ministry that is far superior to the old priesthood, for he is the one who mediates for us a far better covenant with God, based on better promises.
Hebrews 8:6

For by the power of the eternal Spirit, Christ offered himself to God as a perfect sacrifice for our sins. [15] That is why he is the one who mediates a new covenant between God and people, so that all who are called can receive the eternal inheritance God has promised them. For Christ died to set them free from the penalty of the sins they had committed under that first covenant.
Hebrews 9:14-15

When God speaks of a "new" covenant, it means he has made the first one obsolete. It is now out of date and will soon disappear.
Hebrews 8:13

For the wages of sin is death, but the free gift of God is eternal life through Christ Jesus our Lord.
Romans 6:23

Next Sunday @ The Quest

As children, many of us received a leather-bound book full of long words and difficult names we couldn't pronounce. We were told everything in it was true and we should do our best to abide by its teachings. Then we grew up. What was oh-so-simple then is . . . well, it's not simple. Perhaps that's because we were taught Bible stories but not the story of the Bible. Big difference. Join us next Sunday as we continue unpacking the story of the most popular book in the world.
